Sarah Zagefka is an artist who focuses on exploring the uniqueness of people and their living spaces. Her artworks delve into the traces left behind by individuals in the places they inhabit or use. Zagefka's approach is not merely neutral documentation of objects, but rather an attempt to capture the character of their interaction with their surroundings. Zagefka's work is characterized by delicate brushstrokes and an emphasis on capturing the mood and essence of the spaces she depicts. She has a keen interest in the environments of artists and their creations and often features these subjects in her paintings.
